

*On Behalf of myself and my family, I would like to thank each and every person who dedicated so much time and effort in helping support my family and myself during this recent struggle.*

*I can't tell you how much this means to me to have your support, your friendship, your love and your prayers. Without you I could not have succeeded and gone as far as I have.*

*Please know that all you have done will not be forgotten and has not gone unnoticed. May God truly bless each and every one of you in a special way each and every day for all you have done.*
